

PT. Bolamas Indah Nusantara

# Company Profile

Security Camera Surveillance System • Audio Video Product • Security Patrol Guard System  
Audio System • Cabling System • Access Control System

# 01 Our History

Bolamas Indah Nusantara was found in April 1989 as CV company and began the worked in the field of satelite disk which included supplying, designing, and installing all the customers / clients needs, either for private houses, companies, or hotels. Then CV Bolamas Indah Nusantara started to develop our work in MATV System, Fire Alarm System, Fire Suppression System, Public Address Sound System, and Data Structured Cabling System since 1992 until now. In 2000s we started to work in security surveillance using the analog system, then from 2007 – now, we added the IP security surveillance system to our work scope.

And since 01 Agustus 2017, CV. Bolamas Indah Nusantara is closed and we start the new company with PT. Bolamas Indah Nusantara.

The New PT Bolamas Indah Nusantara is now focus on Surveillance Industry & AV Industry to serve the best & unique solution in the market.
